Dear Visitors! We would like to inform you that the opening hours of National Széchényi Library will be changed as of September 1, 2015. Also, there have been changes in the reading space: our Multimedia Reading Room ceased to exist as an independent unit, its functions were taken over by the General Reading Room.

Dear Visitors!

We would like to inform you that the opening hours of National Széchényi Library will be changed as of September 1, 2015. We are waiting for our visitors in the Library Tuesday to Saturday, between 10 a.m. and 7 p.m.

There have been changes in the reading space: our Multimedia Reading Room ceased to exist as an independent unit, its functions were taken over by the General Reading Room. From now on, multimedia documents are being serviced from our General Reading Room.

We have placed clusters of comfortable armchairs and nice glass tables in the middle section of our General Reading Room. Also, we would like to provide extra space for group learning by putting together two rows of desks. In this section of the Reading Room, visitors are allowed to talk in a low voice. Those of you who wish to read and work in complete silence are kindly asked to take seat in the southern wing, either in the Literature Science Reading Room or in the History Science reading Room.
