

How to approach the Library on Friday March 18?

2016/03/17

On March 18, 2016, during the morning and afternoon hours, there will be short closures on the route of Szent György Street and in the Lion Courtyard, due to an event held in the Budapest Historical Museum. This will affect pedestrian traffic too, so we recommend you to use the Express Elevator on Palota Street instead.

On March 18, 2016, during the morning and afternoon hours, there will be short closures on the route of Szent György Street and in the Lion Courtyard, due to an event held in the Budapest Historical Museum. This will affect pedestrian traffic too, so we recommend you to use the [Express Elevator](#) [1] on Palota Street instead.

We apologize for any inconvenience caused and thank you for your patience.
