Széchenyi Library on December 6–7, 2016, with the participation of monument protection experts from Hungary and the Carpathian Basin. The aim of the conference is to publish the results of Rómer Flóris Plan achieved in 2016. The forum makes it possible for experts working across various regions of the Carpathian Basin to meet and have consultations and professional discussions.

Date: December 6 -7, 2016

Venue: National Széchényi Library, Budapest

Related to the conference, an exhibition of photos taken by Attila Mudrák will also be opened on December 6 in the National Relic exhibition space of the Library.
