

Saturday night lift outage

2017/10/13

Due to an event on October 14, the northern lift next to our Ceremonial Hall (right at the stage entrance) will be closed down on Saturday at 19:30 because of its loud operation and slam. Thank you for your understanding.

Due to an event on October 14, the northern lift next to our Ceremonial Hall (right at the stage entrance) will be closed down on Saturday at 19:30 because of its loud operation and slam. Since the other lift serving readers on the opposite side is also out of order, 30 minutes prior to NSZL's closure you can only walk between Library levels on foot.

We apologize for any inconvenience caused!
