

World War I on Maps: Border Disputes

2018/09/11 - 2019/04/27

At the chamber exhibition, maps made between 1909 and 1919 are on display, which can be regarded as special, since they show temporary conditions before the formation of the final borders. Border disputes of World War I come alive on nearly 30 maps, period posters, postcards and photographs.
