

Copy making service will not be available from February 11 until February 25, 2020

2020/02/10

Our services are scheduled to resume on February 26, 2020 at a new location, with renewed equipment, and offering higher quality.

[1]

Dear Customers,

Please, be informed that, due to technical reasons, no paper-based or digital copy making orders can be submitted, and the afore-mentioned services will temporarily not be available from February 11 until February 25, 2020.

Copy making service will not be available from February 11 until February 25, 2020

Published on Országos Széchényi Könyvtár (<http://193.6.201.226>)

Meanwhile, orders already submitted will be processed, and our local copy making services will also run smoothly.

Our services are scheduled to resume on February 26, 2020 at a new location, with renewed equipment, and offering higher-quality access to printed cultural heritage.

Thank you for your understanding on behalf of the Digitizing Department of National Széchényi Library.
