The dismantling will be carried out from the Lions' Court, therefore the Lions' Court will have to be completely evacuated for the period of the crane dismantling. No vehicles or materials will be allowed in the yard from the evening of Wednesday (June 16) until the demolition is complete.

The main entrances to the NSZL and the Budapest History Museum can only be accessed on foot through the fenced-off area during the entire demolition period.

We apologise for any inconvenience and thank you for your understanding.
