The Petőfi Literary Museum and the National Széchényi Library are organising a workshop discussing the topic born digital on the occasion of the Hungarian Science Day on 5 November 2021.

The Petőfi Literary Museum and the National Széchényi Library are organising a workshop discussing the topic born digital on the occasion of the Hungarian Science Day on 5 November 2021.

For the first time in Hungary, the conference will address the comprehensive issues of born digital archiving. We have invited renowned experts from public collections that already have a born digital practice as speakers, as well as lawyers who are experts in the field of rights management. They will give presentations on the following topics:
