

## NSZL – Eduroam settings (Android 2.3)

1. Open the **Vezeték nélküli hálózat (Wi-Fi network)** section and then go to menu point **Wi-Fi-beállítások (Wi-fi settings)**.

2. Select **Wi-Fi bekapcsolása (Wi-Fi ON)**, and then select **eduroam**.

3. Adjust eduroam, based on the pictures below, and login Wi-Fi network with your eduroam user name and password.
